VIRTUS® Protecting God's Children Adult Awareness Session is a three-hour training that helps clergy, staff, volunteers and parents to understand the facts and myths about child sexual abuse; how perpetrators operate; and how caring adults can take five important steps to keep children safe. The parent session also stresses monitoring of computers, cell phones and other technology that perpetrators use to gain access to children and young people.

The Archdiocese of Los Angeles mandates all staff, whether paid or volunteer, and all volunteers who work in any capacity with or around children, the elderly, or people with special needs are required to complete the initial three-hour VIRTUS® Protecting God's Children for Adults program.
